

Regional Spotlight Webinar: The Transformation and Future of LATAM Infrastructure –  
Thursday, 30 June at 9 am (UTC-5)

Alejandra has over 12 years of experience in the infrastructure and energy sectors. Alejandra has deep knowledge in M&A, project finance, capital raising and making investments through Structured Equity Securities (“CKDs”) structure with expertise in transaction analysis, structuring and execution.

Before joining Rubicon Alejandra was Co-Head of Analysis and Structuring of GBM’s infrastructure and energy listed funds, being responsible for the analysis, underwriting and structuring of energy and infrastructure projects, having procured over \$600 million of debt and managing a portfolio of over \$1 billion comprised of renewable and thermal power plants, roads, and water projects. Through her role at GBM, Alejandra was strongly involved in all business and operating performance issues of portfolio companies.
